“Thou Shall Not Bare False Witness”

“At this hour, our democracy is under unprecedented assault . . . an assault on the citadel of liberty, the Capitol itself,” says Joe Biden, who is now the President of the United States of America describing the siege of the Capitol at his press conference on January 6, 2021. https://www.washingtonpost.com/video/politics/biden-responds-to-storming-of-capitol-our-democracy-is-under-unprecedented-assault/2021/01/06/7dafffb3-ef6d-4050-b186-73bc6f75c08b_video.html

JANUARY 6, 2021 “ACT OF WAR”

JANUARY 16, 1893 “ACT OF WAR”

Outraged citizens and government officials condemned the violence and assault that damaged the Capitol and forever tainted the image of American democracy around the globe. “In [a statement](#), acting U.S. Attorney General Jeffrey Rosen called the assault “an intolerable attack on a fundamental institution of our democracy” and vowed to “enforce the laws of our land.” Which is to say, more arrests in the future. <https://www.washingtonian.com/2021/01/07/what-crimes-can-the-capitol-insurrectionists-be-charged-with/>

The January 6, 2021 insurrection of the U.S. Capitol and January 16, 1893, U.S. marines landing on Hawaiian Kingdom soil with guns pointing at Iolani Palace are very similar events. The significant difference is the time to correct the insurgency. In less than twenty-four hours, the U.S. Capitol was cleared of insurgents and criminals. In the Hawaiian Kingdom case, the criminals were promoted to U.S. Federal district judges, attorney generals, finance ministers that still continue for one hundred and twenty-eight years. Criminals are currently operating the illegal proxy of the State of Hawaii government

to this very day. The Christian Hawaiian Kingdom was forced to transform from a peaceful neutral nation-state into the State of War the moment U.S. marines landed on Hawaiian Kingdom soil.

The United States continues to ignore the rule of law for over a century in the Hawaiian Kingdom. What if those insurrectionist criminals above were still in control of the U.S. Capitol? Why do Christians from America continue to ignore humanitarian violations on Christians that live in the Hawaiian Kingdom?

Furthermore, during President Grover Cleveland's second term representing the United States as the Chief Executive officer, he appointed U.S. Commissioner James H. Blount to investigate the events surrounding the illegal occupation of the Hawaiian Kingdom.

PRESIDENT GROVER CLEVELAND

JAMES H. BLOUNT

The Blount report found the actions of the United States as illegal. <https://hawaiiankingdom.org/blog/truthout-hawaii-legal-case-against-the-united-states/>. On December 18, 1893, President Grover Cleveland reported the Commissioner's findings of facts to Congress. Cleveland said, "And so it happened that on January 16, 1893, between four and five o'clock in the afternoon, a detachment of marines from the United States steamer *Boston*, with two pieces of artillery, landed at Honolulu. The men, upwards of 160 in all, were supplied with double cartridge belts filled with ammunition and with haversacks and canteens and were accompanied by a hospital corps with stretchers and medical supplies. This military demonstration upon the soil of Honolulu was of itself an *act of war*, unless made either with the consent of the Government of Hawaii or for the bona fide purpose of protecting the imperiled lives and property of citizens of the United States. But there is no pretense of any such consent on the part of the Government of the Queen, which at the time was undisputed and was both the *de facto* and the *de*

jure government. In point of fact, the existing government, instead of requesting the presence of an armed force protested against it." <https://hawaiiankingdom.org/blog/hawaiian-kingdom-files-lawsuit-against-president-trump-in-washington-d-c/>.

President Cleveland and Liliuokalani's diplomatic relations set the international legal framework for compensation that we were unaware of thirty years ago since UCC President Sherry's apology in 1991. Cleveland's confirmation of an "Act of War" in Congress is legally binding with the United States of America today. The following newsletter will highlight Queen Liliuokalani and grotesque, racist, white supremacist comments and attitudes from ABCFM pastors responsible for the State of War and the illegal overthrow of the Hawaiian Kingdom.
