

Queen Liliuokalani is displayed in mainstream U.S. mass media as a black caricature when negro slaves were stereotyped as African savages with large exaggerated lips and feet. In this cartoon, the Hawaiian Queen was portrayed as a negro pawning her country. This instantaneously compounds 400 years of white supremacy, racist attitudes, discrimination, and negative negro stereotypes on the Queen.

Furthermore, she's depicted as if she agreed with giving her nation away for money at a pawn shop, which is the farthest from the truth. One hundred and twenty-eight years later,

the United States media, government, law enforcement and the State of Hawaii has been lying to Christian citizens around the world about the truth of the Hawaiian Kingdom. "Thou Shalt Not Bear False Witness to Thy Neighbor". What kind of Christians exist in Hawaii if we all continue to speak false statements when referring to the illegal State of Hawaii. We weaken the world, our very existence and injure a Hawaiian child with every false statement for continuing a century of lies. This series of articles will dispel a century of lies and share the truth about the Hawaiian people and the Christian Hawaiian Kingdom government they created. "Thou Shalt Not Bear False Witness to Thy Neighbor". Unfortunately, Christians in Hawaii have been aiding and abetting the illegal occupation for over a century with false statements. Since the UCC apology in 1991 about the illegality of 1893 when did any government since then become legal? Christians in Hawaii have not actualized the truth or persuaded themselves to stop lying, stop making false statements like the State of Hawaii is legal.

Conversely, Queen Liliuokalani, in the future, could be recognized as the most

brilliant female leader of her time because of how she incorporated international customary law through her communications with U.S. presidents and ambassadors, successfully preserving Hawaiian Kingdom sovereignty into the 21st century. We only realize her expertise in international law now. The United States of America and the United Church of Christ owe the Hawaiian people and the Christian Hawaiian Kingdom government one hundred and twenty-eight years of reparations for the psychological, mental and physical health issues induced by forced Americanization on all children who attended public schools post-overthrow. All of my grandparents were spanked for speaking Hawaiian. Today, Christians, government employees, law enforcement, school officials are falsifying

the truth intentionally.

Son of Artemas Bishop and Elizabeth Edwards Bishop, early missionaries

raised Sereno Bishop in Hawaii. In the 1893 February issue of the Friend Rev. Sereno Bishop editor describes the "Act of War" committed by the U.S. marines as "No like period, so important, so exciting, so charged with momentous events, has existed since foreigners resided in Honolulu. It was a history making epoch, witnessing the unheralded and shameful collapse of the once noble and proud Hawaiian monarchy, and initiating, as we believe, a glorious new era of freedom and honor for Hawaii." Bishop describes an "Act of War" as exciting, momentous, glorious freedom as honor for Hawaii? He also glorifies this "Act of War" as America's friendly care. He further describes Liliuokalani as the "half maddened Queen" for her actions

and describes treasonist men as "our Provisional Government of trusted leaders". In the Blount Report, he openly expresses the superiority of the white race. Reverend Sereno Bishop Treason in the Hawaiian Kingdom.

Son of Samuel Chenery Damon and Julia Sherman Mills early missionaries, Samuel Mills Damon as executor of Bernice Pauahi's will receives 9,000 acres

known as Moanalua. After the illegal overthrow, he became the Minister of Finance for the illegal provisional government while owning and running First Hawaiian Bank. In 1895 as Minister of Finance, President of First Hawaiian Bank and Trustee for the Kamehameha Schools, Damon states, "If we are ever to have peace and annexation, the first thing to do is to obliterate the past." Publicly announcing the war crime of Americanization by obliterating the past and banning the Hawaiian language at Kamehameha Schools would rise to the level of Samuel Mills Damon as committing war crimes and Treason.

Son of Daniel Dole and Emily Hoyt Ballard early missionaries, Sanford B.

Dole, with Hawaiian citizen supporters, orchestrated the illegal overthrow and covered up the illegality for a very long time. At the time, Sanford B. Dole was the Chief Justice for the Hawaiian Kingdom Supreme Court. On July 4, 1894, Dole then became the President of the illegal Provisional government responsible for the 1893 illegality. Dole then became the President of the illegal Republic of Hawaii. On June 14, 1900, Dole became the President of the unlawful Territory of Hawaii. On November 23, 1903, Dole was appointed by President Theodore Roosevelt to be a judge for

the U.S. District Court of Hawaii. https://en.wikipedia.org/wiki/Sanford_B._Dole

In the next issue, we will briefly talk about aspects of the Hawaiian religion before the arrival of Christianity, which contributed to an accelerated rate of Christian converts after the arrival of the ABCFM in 1820. Then we will expand upon the excellent work of early Christian missionaries that led to the first Christian constitution in the Pacific and maybe the world in 1839. "God hath made of one blood all nations of men, to dwell on the face of the earth in unity and blessedness. God has also bestowed certain rights alike on all men, and all chiefs and all people of all lands." <http://hooilina.org/collect/journal/index/assoc/HASH0166.dir/5.pdf>
